

Volunteers wanted!

To help start a wildflower meadow.

What we'll be doing

We'll be exposing patches of bare soil to sow Yellow Rattle seeds - a wildflower that will weaken the grass. This will allow us to sow a range of wildflower seeds next year.

When?

Saturday 27th September at 2 pm, weather permitting.

Where?

Sunnylaw Community GreenSpace, Sunnylaw Road.
Opposite the Minewood Quarry.

What to wear / bring

Gardening gloves.

Sturdy footwear such as hiking boots.

If you have them, any of these tools: rake, spade, trowel, hand fork, maybe a kneeling mat. Spares will be available.
